Total **120**

ADDITIONAL INFORMATION

- Substitution: BIOL 101 General Biology can be substituted by a minimum (4) credit hour course in the Natural Sciences
- Substitution: SOCI 110 can be substituted by a minimum (3) credit hour statistics course in the PSYC, MATH, or SOCI departments.
- Prerequisite: To register for HLMN 305 Health Care Finance, students must have successfully completed ACCT 201 Accounting Principles I.
- Internship Requirement: To register for HLMN 402 Health Management Internship (Fall Semester - Senior Year), students must have 90 Health Management Program credits or more. The Health Management Internship Course requires each student to complete a faculty-supervised internship of not less than 120 hours, or an alternative, applied learning experience that is equivalent to the faculty-supervised internship requirement of 120 hours in any field across health and social services. *Note: The alternative, applied learning experience that is equivalent to the faculty-supervised internship requirement of 120 hours is a temporary modification to account for the COVID-19 Pandemic.*
- Capstone: ONLY SENIOR HEALTH MANAGEMENT STUDENTS can register for HLMN 408 Health Management Capstone Seminar (Spring Semester - Senior Year)
